The Race Rules

Do what the marshals tell you. Always. At all times. <u>And especially at road crossings.</u> Race numbers must be worn on your FRONT, and must be visible to marshals at all times All runners must carry an emergency foil blanket and a charged/switched on mobile phone at all times No running poles or other artificial aids. Please note one more very important rule from the Devil o' the Highlands Medical Team:

The casual race-day use of ibuprofen, diclofenac, naproxen, or any other non-steroidal anti-inflammatory drug (NSAID) is strictly forbidden. You must not use any of these drugs as a race-day painkiller. If we become aware that you are doing so, you will be disqualified. Please note that if you have an ongoing prescription for any of these medications, you should continue to take your usual dose but you must inform us about it in advance via email and you must be able to produce an in-date prescription packet if requested. Thank you.

At registration you will pick up your race number, which must be worn on your FRONT, and your timing chip, which must be worn on your WRIST. Please note that you must show photographic ID at race registration.

If registering on Saturday morning, please allow plenty of time to arrive and get yourself organised, as registration will close at 5:30am sharp. If arriving by car, please follow traffic marshals' directions and don't park like a fanny.

Race Briefing

5:45am: Race Briefing for all runners, just outside the Green Welly. Please try to listen in case there is any last minute information that you really need to know! We will then move everyone along the road to the start area, which is 200m or so along the road and up the hill beside Brodie's Store.

Mandatory kit

The following items MUST be carried by ALL runners at ALL times:

- 1. An emergency foil blanket (minimum size 200 x 100cm)
- 2. A fully charged and switched on mobile phone

Don't try to be sneaky about this, just carry what we tell you to. <u>Kit checks WILL be carried out.</u> Please note that a foil blanket is the minimum safety kit that we insist on. If you want to carry something more substantial like a bivvy bag or an emergency shelter instead, that is absolutely fine by us. And please use your common sense. This is a long run over wild terrain. Check the weather forecast and decide for yourself what other kit you might need. In bad or changeable weather we would strongly recommend full waterproofs and extra clothing.

Earphones

Earphones may be used, but MUST be taken out of ears completely at certain points along the race route:

- when you're approaching a road crossing
- when you're approaching a checkpoint
- when you're running on any section of tarmac
- If you see a marshal in hi-viz anywhere along the race route
- on any section of trail narrow enough that you're running single file

We think these rules are very clear. Hopefully you do too, because we will be enforcing them very strictly.

If you forget about your earphones, and a marshal signals you to remove them, you must do so <u>immediately</u>. If you try to argue the point about your music being turned off, your earphones may be confiscated from you until the race finish, and you also risk being removed from the race for your own safety, i.e. disqualified.

After the race we will be looking through photos from checkpoints and road crossings. If we identify you as a repeat offender, we reserve the right to disqualify you after the fact. We will not take this course of action without speaking to you first, but if we have photos from two or more checkpoints or road crossings showing you with your earphones in, we will most likely remove you from the official race results. So please, just take your earphones out where we ask.

Checkpoints and distances

Checkpoints, distances, and details of what all is provided are as follows:

CP1	Bridge of Orchy	7 miles	11 km	water	-	-
CP2	Glencoe Mountain Resort	17 miles	27 km	water	Coke	Drop bags
CP3	Kinlochleven	27 miles	43 km	water	Coke	Drop bags
CP4	Lundavra	35 miles	56 km	water	Coke	sympathy & hugs :-)

Cut-offs

The only cut-off is at Kinlochleven checkpoint, at **7hrs 30mins** race time, which is 1:30pm. If you reach Kinlochleven after **1:30pm** you will be timed out, and will not be allowed to continue. Please note that if you are timed out, you <u>must</u> stop. You cannot continue running, even unofficially. If you do so, you will be barred from future events.

Support Runners

If you leave Kinlochleven checkpoint <u>after</u> 11:30am (5hrs 30mins race time) you may take a support runner with you from that point. Kinlochleven is the only place you can pick up a support runner. If you leave Kinlochleven after 11:30am but choose not to take a support runner from there, you cannot then pick one up further along the route. You can have one support runner only, and that person should be capable of running the full distance to the finish with you, as you also cannot swap over support runners at any point. If you have any questions relevant to your support runner's health, existing medical conditions, or medical history, please direct them to the Devil Medical Team via the Devil team email address. Support runners must be 20+ years old on race day and must carry their own foil blanket while running. Please note that muling (where your support runner carries your gear for you) is absolutely NOT allowed. Even if you have a support runner, you MUST carry your own gear at all times.

Drop bags

Runners can have drop bags at Glencoe and Kinlochleven. Please label them clearly with your name, race number, and checkpoint location. Drop bags should be small, and must not contain shoes or full changes of clothing. Please do not bring drop bags to Friday registration, as we will not be accepting them then. Please just bring them to the race start on Saturday morning.

Road Crossings

The race route crosses the very busy A82 main road at Bridge of Orchy and at Glencoe Mountain Resort ski centre. At both these locations, marshals will be present and assisting runners to safely cross the road. You MUST remove earphones, slow down or stop altogether, and obey marshals' instructions. Any runners causing hassle in this regard may be withdrawn from the race for their own safety, i.e. disqualified. Please note that marshals DO NOT have the power to stop traffic and that you are at all times responsible for your own safety.

The Race Finish

We try to make the finish good! You will be cheered over the finish line. Our photographers will record your moment of glory. You will be given your medal and t-shirt. If you have ordered a race hoody or vest, it will be there for you to collect. And as well as all the usual race nicknacks, the following treats are provided at the finish line for all runners completely FREE of charge:

Heated marquee for runners to relax in

Matt and Ena Duncan's world famous soup - choice of lentil (vegan) or tomato and basil (vegetarian) Lots more delicious hot home-made food - several meat/vegetarian/vegan options will be available Unlimited tea and freshly brewed coffee for all runners (charity donation suggested for non-runners) Free hot showers for all runners, in the leisure centre - just hand over the token in your goody bag at reception Post race massage available for all runners - please shower first! First aid/medical assistance will be available at the finish for any runner who requires it.

Support Crew and Spectator Information

NO RACE TRAFFIC ALLOWED TO STOP ANYWHERE NEAR THE BRIDGE OF ORCHY CHECKPOINT.

This means support crews <u>and</u> spectators, and it means that the layby on the A82 at the road crossing, the parking area at the front of the Bridge of Orchy hotel, the train station car park, the road up to the station, the road down to the checkpoint, the checkpoint itself, and the road round to Inveroran are all out of bounds. Support crews and spectators should drive through Bridge of Orchy without stopping.

NO RACE TRAFFIC ALLOWED TO STOP ANYWHERE NEAR THE GLENCOE ROAD CROSSING.

This means support crews <u>and</u> spectators, and it means that the turning area where our road crossing marshals are standing, the passing places at the bottom of the road up to the Glencoe Mountain Resort ski centre, the verges on the A82 either side of the road crossing, the access road to the Kingshouse Hotel, and any other nearby parking spots we have forgotten to mention, are all out of bounds. Basically, no parking for anyone, anywhere near the road crossing, and also please no slowing down to ask our marshals if your runner has gone through yet. And it also means no parking slightly further away and walking/cycling back. No one is allowed at the road crossing apart from marshals and runners!

We are imposing these restrictions for traffic safety reasons. Please tell your support crew and any friends or family who might be coming along on the day and ask them to obey marshals' instructions at all times. The first place support crews/spectators can meet runners is at Glencoe checkpoint. After this, support crews/spectators can meet runners anywhere along the race route. The usual provisos about legal and sensible parking apply, and remember no support runners before Kinlochleven at 11:30am.

NO RACE TRAFFIC ALLOWED TO PARK AT THE ICE FACTOR IN KINLOCHLEVEN.

All race traffic at Kinlochleven should follow the 'Event Parking' signs and use the car park at the old aluminium smelter works a short distance away from the checkpoint. Traffic marshals will be in attendance so please follow their instructions and park as directed by them.

Prizegiving

The prizegiving will take place at the race finish, at approximately 4:00pm, depending on the arrival of our various age category winners. If you know you have some bling to collect but you can't stay until prizegiving, please let us know and we will give you your trophy to take away with you.

Trophies will be awarded as follows: 1st, 2nd and 3rd overall in each gender category 1st, 2nd and 3rd Vet 40 in each gender category 1st, 2nd and 3rd Vet 50 in each gender category 1st, 2nd and 3rd Vet 60 in each gender category And as we do have one Vet 70 runner, there will be a Vet 70 category too :-)

Lost property

We will do our best to reunite any lost property with its rightful owner, however we can't guarantee this. At the race finish, any found items will be put under a 'LOST PROPERTY' sign beside all the kit bags. High value lost property items will be looked after by a member of the Devil race team - please come and ask at the merchandise tent. Anything not claimed by the end of race day will be taken back to Devil HQ - please email team@devilothehighlandsfootrace.co.uk if you realise later on that you lost something important at the race.

Low value clothing items such as t-shirts will be washed and taken to a charity shop therefore **please do not deliberately** leave clothing at checkpoints as chances are you won't get it back.

Afterparty!

Please come and join us for the usual post-race celebrations in the Tyndrum Inn, Tyndrum, FK20 8RY, on Saturday evening from 8:00pm onwards. Everyone is welcome to join us here, and food is served until 10:00pm :-)

Frequently Asked Questions

General Stuff:

Give me some basic information about the race please!

The Devil o' the Highlands is Scotland's second oldest ultra event after the West Highland Way Race and the first edition was in 2003. It is a 42 mile trail race which takes place along the upper section of the West Highland Way footpath. It starts in the pretty Highland village of Tyndrum, goes through Bridge of Orchy and over Mam Carraigh (Jelly Baby Hill) to Inveroran, then crosses Rannoch Moor to arrive at Glencoe and Kingshouse. After that there is the Devil's Staircase, a steep descent down to Kinlochleven, and then the biggest climb of the day: over 1000ft of ascent from Kinlochleven up across the Lairig Mor to Lundavra. From there it's just 7-and-a-bit more miles to the finish in Fort William. The race route almost entirely follows the West Highland Way footpath (look out for the posts). It does deviate from the official path at very slightly at 3 points. These will be clearly marked by yellow arrows.

Who organises the event?

John Duncan (Johnny Fling). The race is a non-profit event. Every penny of entry fees is put towards event expenditure with the aim of giving runners the best race experience and best value for money possible. All marshals are volunteers so remember to thank them when you run past and be very nice to them at all times.

What is the terrain like?

The route is approximately 95% off-road with just a few short sections on tarmac. The off-road sections are mostly wide paths and old drovers roads, and although quite technical in places are still very runnable. The race route includes approximately 2200 metres (7100 feet) of ascent.

Does the race have UTMB points?

Yes. The Devil o' the Highlands has been classed as a 3 point qualifier for the 2020-2021 UTMB by ITRA, the International Trail Running Association.

Pre Race Stuff:

Will anything be sent out to me by post?

No. All pre-race communication is via email. Race numbers are collected at registration. T-shirts and medals will be given out at the race finish. If you have ordered race merchandise, you will collect it at the race finish.

What should I do if any of my details have changed since I entered?

If you need to change any details, this must be done online. See first page for info. Please ensure we have correct medical information and emergency contact details. Also, please make sure that the mobile phone number you have given us is definitely that of the mobile phone you will be carrying during the race!

I'm a newbie to ultras, what are these drop bags all about?

Drop bags allow runners to take part in long races without the need for support crews and without having to carry supplies the whole way. Basically, a drop bag is a SMALL secure parcel that you put some food and drink in and stick a label on with your name, race number, and the checkpoint that you want it taken to. At the start of the race there are vehicles with the names of each checkpoint on them that you put your drop bags in, and they are transported to the checkpoints for you to collect when you arrive there. As well as food and drink, you might want to have stuff like blister plasters or a fresh pair of socks at halfway. In general, drop bags aren't for anything of value, as sometimes (very rarely) they go missing, and also you won't get back anything you leave at checkpoints.

Parking and Transport Stuff:

Whereabouts in Tyndrum can I park on race day?

For dropping off at the race start and short term parking (i.e. support crews), please use the Green Welly car park, the Real Food Cafe car park, TJ's Diner car park, or anywhere else it is okay to stop for an hour or two. It doesn't matter where your car is parked during registration, as long as it won't be left there after the race has started.

For long term parking (i.e. if you ARE leaving your car in Tyndrum all day), please use the Green Welly Stop's overflow car park at the rear right hand corner of the main car park. This will be clearly signposted on race day. Marshals will be in attendance to help you park in the right place, so please be friendly to them, do what they say, and obey any 'No Parking' signs that you see. Thank you.

If you are parking in Tyndrum for the day, please DO NOT leave your car in the Real Food Cafe, TJ's Diner, the Tyndrum Inn, or Brodie's Store car parks, or in the car parks of any other local businesses or campsites.

Whereabouts in Fort William can I park on race day?

Please use An Aird car park opposite the Nevis Centre (PH₃₃ 6FE, next to Lidl). This applies to runners getting the 4:00am coach from Fort William to the race start and also to friends and family coming to Fort William to cheer runners on at the finish. Everyone should use An Aird car park. There is NO parking for runners, friends, family, or support crews at the leisure centre this year.

Please note there is NO PARKING AT ALL at the Leisure Centre, either in front of the centre or in the parking area round the back. This includes campervans/motorhomes parking there overnight on Friday and/or Saturday night.

Can I have a bag transported from the start to the finish?

Yes, you can. As well as the drop bag vehicles in the car park at the start of the race, there will be a vehicle transporting kit bags to the finish at Fort William. Please make sure you use the tear-off kitbag label on the bottom of your race number. Reasonable size bags only please, no huge suitcases.

If you withdraw from the race for any reason and go straight home, we will get your finish bag returned to you, but this may take a few days. If your car is parked in Tyndrum, carry your key with you while running. If you withdraw from the race early on, you don't want your car key to be in Fort William while you are heading back to Tyndrum.

Is there public transport from Fort William back to Tyndrum?

There is a Scotrail train from Fort William to Tyndrum at 5:37pm. There are Citylink buses from Fort William to Tyndrum at 2:00pm, 3:00pm, 4:00pm, 5:00pm and 7:10pm. All of these continue on to Glasgow city centre. Advance booking is advised.

There will also be lots of marshals driving back down from Fort William through Tyndrum at the end of the day, so don't worry if you're a late finisher and you've missed your bus or train. Just let us know as early as possible while we're still packing up, and we'll do our best to make sure you're not stranded.

Race Stuff:

Can a friend register for me?

No. Runners MUST pick up their own race numbers. No exceptions.

Can I pass on my race number to someone else if I'm not able to run any more?

No, absolutely not. The swapping of race numbers is completely forbidden. Please don't even try it. You will almost certainly be rumbled (thanks to the intrusive power of social media) and you WILL be banned from all future events.

Should I wear road or trail shoes?

Personal preference. Most of the paths are good and unless it's been raining for the whole week before the race, it's not likely to be too wet underfoot. Basically, whatever you normally run off-road in will be fine.

How do I estimate my finishing time?

If you've trained properly for the distance and terrain, we reckon a bit more than double your road marathon time. Of course you may be faster or slower depending on weather and how much you enjoy hoofing over big rocks etc.

What should I do with my rubbish?

You absolutely MUST NOT drop any rubbish on the trail! If you see a runner dropping rubbish please ask them to pick it up. If you see any race litter on the trail, please pick it up and take it to the next checkpoint. There will be rubbish bins at all checkpoints. We are hoping to trial a new recycling system at checkpoints so please look out for recycling signs and follow marshals' instructions when chucking your cans, plastic bottles, and other packaging.

Are there toilets along the route?

At registration, there are toilets inside the Green Welly, and also extra portaloos outside in the car park. There are public access toilets in the Bridge of Orchy hotel, public toilets at the Glencoe Mountain Resort ski centre (walk to the café at the top of the car park), public toilets right beside the checkpoint at Kinlochleven, and portaloos in the playing field right at the race finish. All the public toilets are gendered male and female, all the event portaloos are gender neutral and open to all genders. There are no toilets at Lundavra, sorry.

If you really need to go to the toilet between checkpoints please step well off the trail and try to make sure no-one can see you, especially members of the public and local residents nearby. Also please DO NOT drop your used tissues, either on the trail or in the bushes. Bag them up and take them away with you!

What are the rules about gates?

If you pass through an open gate, leave it open. If the gate is closed, please close it behind you. If another runner is coming up behind you, it's polite to wait a second and hold the gate open for them too.

Can my friends and family follow my progress online?

Yes. The link to follow live updates will be available on the home page of the race website. There will be live checkpoint updates and finish line results available throughout the day.

Will I get back any of the stuff from my drop bags?

No. When you leave a checkpoint, any unused food and drink items will be put out for later runners to help themselves to. If you want to put fresh socks into a drop bag that's fine, but if you leave your sweaty ones behind they'll be binned. Basically, if you leave it at a checkpoint you won't get it back. So if you want to change shoes mid-race, get yourself a support crew. We will NOT transport grubby shoes to the race finish for you!

Support crew Stuff:

Where all are support crews allowed to meet runners?

Support crews can meet runners at Glencoe and Kinlochleven checkpoints. They can also meet runners anywhere along the route from Glencoe onwards, subject to the usual provisos about legal and sensible parking. Support crews cannot meet runners anywhere before Glencoe checkpoint. We strongly recommend support crews do not go to Lundavra checkpoint, due to its remote location and narrow single track access road.

Glencoe checkpoint is at Glencoe Mountain Resort, PH49 4HZ. Kinlochleven checkpoint is beside the Ice Factor, Leven Rd, Kinlochleven, PH50 4SF. Event parking at Kinlochleven is a short distance away and clearly signposted.

Do I need to have a support crew?

No, you don't. The race is set up so you can run it completely unsupported. Support crews are not necessary at all and we would really prefer if you didn't have one. However if you do want to have a support crew, it's allowed.

Safety Stuff:

Do I really need to carry a foil blanket and mobile phone?

Yes. Yes, you really do. Please just make things easy for us and comply with the kit rules. A foil blanket and mobile phone could save your or someone else's life in an emergency. You WILL be kit checked at some point in the race. And if you are not carrying the compulsory kit, you WILL be disqualified.

In case you think we're bluffing, please be aware that over the last three years we have disqualified around 15 people from our events for not carrying the mandatory kit. We don't like doing it, but we will if we have to...

What should I do if I come across an injured runner?

You absolutely MUST stop and try to help. It is very important that we all look after each other out there. If a runner is seriously injured then please call 999 first (ask for POLICE then MOUNTAIN RESCUE), then call Race Control (this phone number will be printed on your race number). If you have no mobile phone signal please wait till another runner arrives to assist then run on until you get a signal. If the runner can't move and is getting cold please use your and other runners' emergency foil blankets to keep the injured runner warm.

What should I do if I'm timed out, or if I decide to withdraw from the race?

If you withdraw from the race at one of the checkpoints, please let a marshal know you are stopping, and make sure you give them your name and your race number. If you decide to withdraw from the race between checkpoints and have your support crew pick you up somewhere, please phone the number for DNF runners (this phone number will be printed on your race number) and let us know that you're okay. Please DO NOT simply exit the race and go home with your support crew without telling a marshal.

If you withdraw from the race, and you don't have a support crew, sweeper cars at each checkpoint will be able to drive you on to the finish at Fort William, or back to the start at Tyndrum. However this may be some time after the checkpoint finally closes, so you could have a wait of several hours. Please remember that marshals are NOT taxi drivers, so don't pester them about how long you've been waiting. There will be first aiders at every checkpoint, so make yourself known to them and they'll take care of you. Make sure you don't get cold while you're waiting - ask nicely if you can sit inside a marshal's car and if required, use your foil blanket to keep warm.

Why is there a ban on race-day use of ibuprofen and other NSAIDs?

This rule has been brought in at the insistence of our medical team. Ibuprofen and other NSAIDs are known to put stress on the kidneys and occasionally this can cause life-threatening problems for ultrarunners. Our medical team are highly

experienced and highly competent ultra-medics, they know what they're talking about and we fully support them on this rule. If you are sceptical about this information, please google 'ibuprofen and ultrarunning' and read about the risks yourself. If you are planning to use NSAIDs as a race-day painkiller, DON'T DO IT!

A final note from our Medical Team:

The Devil o' the Highlands Medical Team do not sanction anyone as 'fit to run'; instead we want to be aware of our runners' history in order to be as well prepared for emergencies as possible. We provide first aid facilities only, in a remote environment, and we cannot cover all eventualities. All runners should consider their own fitness to participate and should, if they have any concerns, discuss with their GP or specialist before participating. We would like you to share those discussions with us prior to the event, so that we can be best prepared. Any information provided to us is treated with the utmost confidentiality, is not shared outside of the medical team and will be destroyed securely after the event.

It is very important that all runners provide us with fully accurate and up to date medical information. If you have asthma, high blood pressure, diabetes, epilepsy, any form of heart condition, any other condition you have been diagnosed with that might affect your ability to safely participate in the race, any condition you are currently taking medication for, then **WE NEED TO KNOW ABOUT IT!** We have already screened all medical information provided to us online via Si Entries, however if you experience last minute changes to any medical conditions or prescribed medications, you must let us know via email before race day.

Any runner who would like to discuss anything with our medical team before the event should contact team@devilothehighlandsfootrace.co.uk as soon as possible.

And Please Remember:

The casual race-day use of ibuprofen, diclofenac, naproxen, or any other non-steroidal anti-inflammatory drug (NSAID) is forbidden. You must not use any of these drugs as a race-day painkiller. If we become aware that you are doing so without our knowledge, you <u>WILL</u> be disqualified. Please note that if you have an ongoing prescription for any of these medications, you should continue to take your usual dose but you must inform us about it in advance and you must be able to show us an in-date prescription packet if requested.

You must also be aware that NSAID use during endurance events ALWAYS carries a risk. Having an official prescription does not remove, alter, or minimise that risk in any way.

Whew. That's all, folks :-)

Thank you for taking the time to read all the race info. Hopefully this has covered everything you might want to know, but if not, just send an email to: team@devilothehighlandsfootrace.co.uk
